RE: Regional Executive Nomination

Dear Mike:

Please accept this letter as confirmation of my interest in the Regional Executive position for Region 8. I am honored to be nominated by the Nebraska Chapter Officers. I am grateful to have the support and confidence of my chapter to serve our region as Regional Executive.

Membership in HFMA has provided me with many opportunities for professional and personal growth through serving in leadership roles, presenting education programs, networking with peers and becoming certified. I have been fortunate to be part of a firm which supports HFMA and values the education and opportunities for professional growth that HFMA provides. I would be honored to serve as Regional Executive which would allow me to share my HFMA experiences with other chapter leaders in our region and also learn from those leaders.

I have served various leadership positions within the Nebraska Chapter including President in 2009. After completing the officer roles, I have continued to stay active in the chapter and currently serve as certification co-chair. In addition, I have served HFMA National as a Yerger Award judge.

Our chapter and the other chapters within Region 8 have been very successful in recent years. If elected I will serve the chapter leaders of Region 8 and assist them in their endeavors to ensure the future success of HFMA and their local chapters.

Thank you for your consideration. If you have any questions or concerns, please do not hesitate to contact me.

Sincerely,

SEIM JOHNSON, LLP

Randy D. Hoffman
