

Cerner Presenter Offerings for HFMA Events

About Cerner

Cerner is the world's largest publicly-traded health information technology company providing leading-edge solutions and services for health care organizations worldwide. Cerner's mission is to contribute to the systemic improvement of health care delivery and the health of communities. To learn more about Cerner's suite of revenue management solutions and services, please visit: www.cerner.com/revenuecycle.

Throughout out the year, Cerner presents at many national and local HFMA events and offers a wide variety of potential topics in the healthcare industry including:

- Revenue Cycle of the Future
- Proactive RevCycle Preparation
- Moving to a Clinically Driven Revenue Cycle
- The Importance of Integrated Revenue Cycle Management and the Impact to Your Bottom Line
- The Journey to Ambulatory Revenue Cycle Alignment*
- Care Coordination for the Future: The Future is Now
- From Volume to Value: Building the Bridge While You Cross It*
- Monitoring and Managing Payer Contracts
- Preparing for a Bundled Payment Model
- Responding to Patient Bill Estimation Requests
- Quality, Cost and Business Intelligence in Healthcare
- Key Considerations for a Consolidated Business Office
- Growing Your Physician Practice Footprint
- ACO: Key Considerations for Integrating Care Venues
- Meaningful Use, Advanced Care Models and Their Convergence with Payment Reform
- IT Adoption – Making the Most of Your Investment
- ICD-10 Specificity: Telling the Real Financial Story with Quality Data
- Understanding Billing and Documentation Compliance

**Session co-presented with Cerner client.*

There are no speaker fees and Cerner covers any travel and lodging costs.

We want to be at your next HFMA chapter event!

For more information or to schedule one of our revenue cycle experts to speak at your event, please contact:

Rita Sprenkle
