⁽¹⁾ It is expected that the Regional Executive will attend all meetings. In the event the Regional Executive is unable to attend, the Regional Executive may appoint that region’s RE 2 to serve as his/her voting delegate to the Council meeting. The Regional Executive must inform the Regional Executive Council Chair he/she is sending a delegate to the Council meeting.

⁽²⁾ It is recommended that during the November meeting when the CBSC is developed, the Regional Executive and the RE 2 work together to identify their regional recommendations and that the Council ask for a regional vote vs. a Regional Executive vote on the scorecard.

Selection Process

- Individuals interested in becoming a Regional Executive are required to apply for the position and document experience that demonstrates necessary qualifications and competencies.
- The RE 3 will solicit nominations by contacting chapter leaders.
- The Regional Executive and RE 2 will interview qualified individuals and make recommendations to chapter presidents-elect at LTC. Regions may choose to have additional interviews performed by other chapter/regional volunteer leaders.
- Regional Executives are elected by chapter presidents-elect during the LTC held in the year prior to their term of office as RE 3.
- Chapters may only have one member serve at a time in one of the three roles to ensure equitable distribution across the chapters.

Regional Operating Agreements

Each region must have a Regional Operating Agreement (ROA) that is signed annually by chapter presidents and the Regional Executive within 60 days of the Fall Presidents Meeting, and is adhered to by all of the chapters in the region to ensure continuity in the implementation of regional activities and to implement the Regional Executive program policy as approved by the HFMA Board of Directors.

This agreement must specify procedures for the selection of the Regional Executive and the assigned duties of the Regional Executive, RE 2, and RE 3 within the Regional Executive program policy as approved by the HFMA Board of Directors.

The agreement may also specify procedures for regional treasuries, determining the locations of Fall Presidents Meetings, financing chapter visits by the Regional Executive, RE 2 or RE 3, or other matters as agreed to by the chapters of the region.

The Regional Operating Agreement may not specify responsibilities for Board members beyond those specified in the Regional Executive program policy approved by the HFMA Board of Directors. A copy of the Regional Operating Agreement must be placed on file with HFMA.

Financing Regional Activities

The travel and expenses of the Regional Executive are paid for by HFMA for the Leadership Training Conference (LTC), Fall Presidents Meetings (FPMs), Annual Chapter Presidents Meeting (ACPM), and Regional Executive Council (REC) meetings that they are required to attend.

The travel and expenses of the RE 2 and RE 3 are paid for by HFMA for the meetings and conferences that they are required to attend. Specific policies governing these expenses may apply to certain of these activities. Generally, the policy is to provide for the travel and expenses necessary to carry out an activity.

A Board member, member of the Chapter Advancement Team, or another individual actively involved at the national level will attend the region's Fall Presidents Meeting. Their reasonable travel and expenses are paid for by HFMA.

Visits by HFMA National Board members, Regional Executives-elect, and Regional Executives to individual chapters are generally paid for by the chapter. The payment of these expenses is subject to the operating agreement of the region. HFMA will not pay the expenses of a Regional Executive or HFMA Board member to attend any other regional meetings beyond those specified in this policy. Attendance at regional meetings conducted in conjunction with any of the paid trips is encouraged.

HFMA will facilitate an opportunity for the region to meet during the LTC at no cost to the region, and during the Annual National Institute (ANI)

Policy Management

This policy is established by the authority of the HFMA Board of Directors. Responsibility for implementation of the policy resides with the individuals named in the policy. Changes to the policy may be recommended by the Regional Executive Council subject to the approval of the HFMA Board of Directors.
