

Annual / Regional Meeting Call for Presentations

The FL HFMA Chapter is seeking topics from our members. This is an exceptional opportunity to share your experience, knowledge, and best practices.

Presenter Benefits: As a presenter you will enjoy:

- Increased visibility within the healthcare industry
- Satisfaction of knowing your presentation helped others.
- Complimentary registration to attend the Conference.

If your organization can provide relative industry education, please complete and submit a speaking proposal form.

PRESENTATION PROPOSAL FORM

Speaker Information

- Speaking engagements are an opportunity to share knowledge with FL HFMA members and are not to be used to promote personal products or services.
- If your presentation appears to be promotional rather than educational, you will be asked to eliminate any and all sales oriented material.
- It is appropriate to list presenter's name and company name on the introductory slide and contact information on the final slide.
- All presentations will be made available electronically to all attendees prior to the conference that can be downloaded. All downloaded presentations will be saved in PDF format.
- All presentations must be saved in Windows 7 Compatible format.

**Please send all proposals to: Chastity Werner at cwerner@npc-meds.com.
