

## AZ HFMA Committee Overview

Thank you for your interest in volunteering with Arizona HFMA! We count on our volunteers to bring fresh ideas, new perspectives and renewed energy to our committees with the goal of improving our member experience.

Here is an overview of our Committees and resources needed for success:

- Sponsorship
  - Our Sponsorship Committee is responsible for finding and engaging sponsors for our individual events throughout the year, as well as annual sponsors. We need people who are able to “make the ask” for money and who are well-connected.
  - 2022-23 Chair: Gidget Bowers, Titan Health
  - 2022-23 Co-Chair: Susan Curry, Banner Health
- Membership
  - In our efforts to recruit new members and retain existing members, we need a robust committee effort and ongoing outreach. Membership is a great way to expand your professional network and connect with a diverse population within the healthcare industry.
  - 2022-23 Chair: Kayla Wagner, ConvergeOne
  - 2022-23 Co-Chair: Nicole Helfrich, Titan Health
- Programs
  - The success of the educational and networking events hosted by the chapter is dependent on the Program Committee. All event details including speakers, theme, venue, networking activities and onsite success are managed by the Program Committee volunteers. You can volunteer for one event or all, depending on your bandwidth but we always welcome feedback for topics and speakers.
  - 2022-23 Chair: Jennifer Barrett, Copa Health
  - 2022-23 Co-Chairs: Helen Haas, Mayo Health and Brandon Eggleston, EY
- Communication
  - The chapter leverages a monthly newsletter and LinkedIn as our primary communication channels for our community. The Communications team is responsible for the content and posting schedules to ensure fresh, relevant information is distributed to our membership.
  - 2022-23 Chair: Kelly Bauer, Centauri Health
- Certification
  - With the new all-inclusive memberships, certification is an included benefit, and one that the chapter consistently and actively promotes. With six (6) available certifications, all members should look to add these designations. The Certification Committee hosts and manages our annual Certification Challenge and promotes this benefit through ongoing education and support.

We welcome all new volunteers for projects big and small. Email [admin@azhfma.org](mailto:admin@azhfma.org) to get connected and discuss ways to participate and support the chapter's ongoing success. Thank you!
