## University Spotlight Student Interview Q & A

The interview should start with an introduction of yourself, a brief description of the program, and purpose of the interview. See below:

**Introduction:** My name is \_\_\_\_\_ and I am a student at \_\_\_\_\_ participating in the HFMA University Spotlight program.

**Brief Program Description:** The program recognizes various Bachelor and Master Degree programs that prepare students for healthcare career opportunities. It also promotes student development while building community partnerships and increasing HFMA's member participation.

**Purpose:** As a part of the program, I was selected to attend this luncheon and interview an attendee. If you agree, the interview along with our photo will be published in the next newsletter.

**Questions:** Is it OK for me to proceed in asking you a few questions?

1. What is your name? Email address?
2. Where do you work?
3. Are you a HFMA member? If yes, for how long?
4. What was the biggest take away?
5. What was your reason for attending today's luncheon?

**Conclude:** Following the interview, please thank the attendee and take a photo with the attendee.
