Time since last attended an educational event	Zip Code first three digits	Organization Type	Comment
Never	146	Provider/ Payer	Better email communication- not all members on Facebook Update website (include current Officer information & committees) Better Committee participation Reach out to new(er) members Communicate Founders Points requirements annually before deadlines Education topics to address all members Give dates for education & networking events further out Social events that are family oriented & not to all happy - hour related events (summer ball game, community walk for xxxx, etc.)
Within the last 6 months	146	Provider/ Payer	I am very happy with the Rochester Chapter's membership engagement. I feel well informed of all opportunities offered through the chapter. There are a number of different events to chose from and I do not feel overwhelmed by the array of choices, but more excited about the chance to experience new things. Well done Rochester Chapter!
Within the past year	136	Business Partner	I might have missed an email but I did not see that there was a fall event. I use these events to get CPEs for my CPA license. Since the membership costs went up so much this year, I am not certain if I continue to find the value of membership especially if there are fewer CPE opportunities.
Within the last 6 months	145	Provider/ Payer	I've really enjoyed the opportunities offered locally to network with other Healthcare professionals! Nice work :)
Within the last 6 months	146	Provider/ Payer	More BI related content would be nice
Within the last 6 months	030	Business Partner	The chapter, people, events, networking has been fantastic over this past year. I'm very happy to be involved and be a part of the chapter.
Within the past year	144	Provider/ Payer	The educational sessions seemed to have dropped off from the last several years.
Within the past year	144	Business Partner	There have been fewer events in recent years. Some of the networking opportunities have been lost most due to lack of attendance. We see little of top level administrators at events.
Within the last 6 months	145	Business Partner	Website updates.
