Dear Healthcare Leader:

Welcome to 2023 and a new sponsorship year! Healthcare organizations and healthcare finance continue to be in a unique and challenging time due to so many external factors. However, as we enter this new chapter year, we are prepared more than ever to meet the ever-changing needs of our organizations and members by putting our Corporate Sponsors at the forefront of education and innovation.

The Corporate Sponsorship Program is structured to give you exposure to roughly 500 chapter members. 2022 allowed our chapter to return to in person events, giving our business partners more opportunities to interact with members. In 2023, we aim to bring you the same commitment. All of our sponsors receive recognition on our website, at events, as well as many other benefits.

Please review the following pages for benefits and important information regarding sponsorship for the 2023 calendar year. If you would like to take advantage of Corporate Sponsorship, please submit your commitment **by January 31, 2023.**

Sincerely,

Chapter President
