

A Story of Three Trees & Two Dragons

Planting Healthy Roots

Ecologists remind us that a tree planted in a clearing of an old forest will grow more successfully than when it is planted in isolation in an open field.

The roots of the new planting will follow more easily and more deeply the hidden pathways of old root systems.

Stories Beget Stories

Lesson Learned:

- Chase a life of vision and purpose founded on values

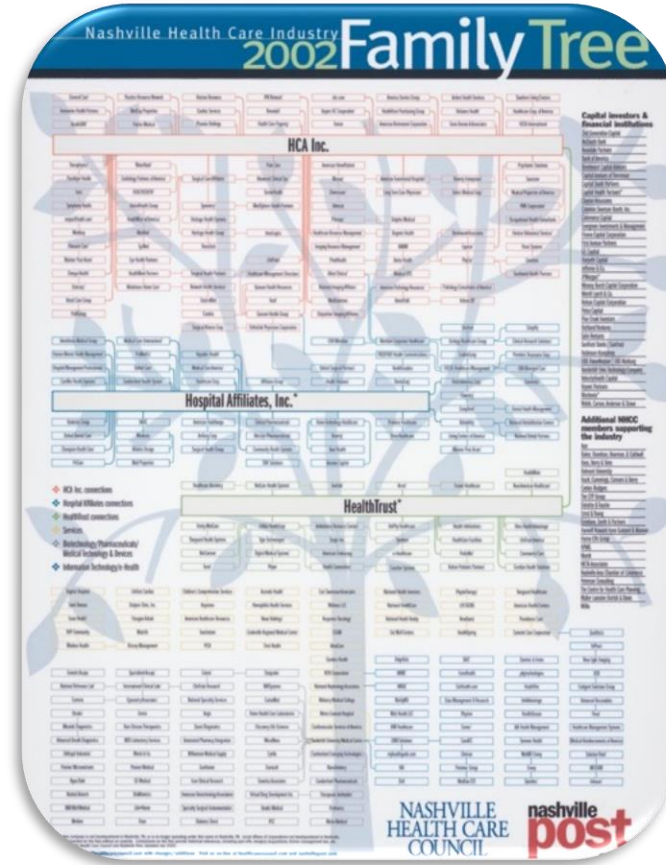

Lesson Learned:

- Progress is made through conflict and failure

Lesson Learned:

- All work matters, so how you work matters (4 tenets)

*“Becoming a leader is synonymous
with becoming yourself.*

*It is precisely that simple,
and it is also that difficult.”*

-Warren Bennis
