

COMPLIANCE WEBINAR

Overview of the No Surprises Act
from the Provider Perspective

JULY 21 | 11:00 AM EST

This moderated panel discussion will provide an overview of the new requirements introduced by CMS for providers and facilities and providers of air ambulance services to protect individuals from surprise medical bills and related enforcement activities.

Learning Objectives Include:

- Full scope of the No Surprises Act requirements in terms of services provided to individuals based on health care coverage
- Key challenges and best practices faced by providers when implementing No Surprise billing rules and good faith estimates process
- Current enforcement activities and landscape at the Federal and State level

Speakers:

Angela Confoey, Associate Vice President for Hospital Billing, UMass Memorial Health Care

Angela has been working in Revenue Cycle for 20+ years and is currently serving as Associate Vice President for Hospital Billing at UMass Memorial Health Care. Prior to her time at UMass, she served as the Senior Director for Revenue Cycle for Mount Auburn Hospital, part of the Beth Israel Lahey Health System. Angela has an impressive track record of improving revenue cycle metrics, reducing denials and write-offs, and building collaborative relationships with other revenue cycle leaders to drive improvements across the revenue cycle. She holds a Master's degree in Health Care Administration from Simmons University, and has extensive Epic experience, including certification in Hospital Billing, Angela co-authored the article "Explaining the No Surprises Act" for the Society of Vascular Specialists.

David C. Tolley, JD, Chair of the Boston Litigation and Trial Department, Latham & Watkins LLP

Mr. Tolley represents clients in a variety of investigative, litigation, regulatory, and compliance matters. He represents a full spectrum of industry clients, including: Hospital systems, Insurers, Medical device and pharmaceutical companies, Pharmacy benefit managers, and Pharmaceutical distributors. He helps clients navigate their highest-stakes issues involving the False Claims Act, the Anti-Kickback Statute, and their state analogs. He draws on extensive experience with government regulators and prosecutors including those from the: Department of Justice, Department of Health and Human Services (HHS) - Office of Inspector General, Centers for Medicare & Medicaid Services, HHS - Office for Civil Rights, and State Attorneys General.
