

Honor Roll: HFMA certifications were awarded to 1,877 members in Q4

HFMA offers eight certifications for members to validate their expertise and demonstrate their commitment to the profession. The HFMA certifications are as follows: Certified Healthcare Financial Professional (CHFP), Certified Revenue Cycle Representative (CRCR), Certified Revenue Cycle Representative (CRCR) – GCC, Certified Specialist Accounting and Finance (CSAF), Certified Specialist Business Intelligence (CSBI), Certified Specialist Physician Practice Management (CSPPM), Certified Specialist Payment and Reimbursement (CSPR) and Fellow of the Healthcare Financial Management Association (FHFMA), which supersedes CHFP.

HFMA proudly helps more than 103,000 healthcare finance professionals successfully transform their careers with various benefits including the ability to achieve certifications. We see hundreds of members earn certifications each month, and we are sharing HFMA’s Honor Roll of all individuals who have been certified Oct. 1, 2023, through Dec. 31, 2023.

This list of HFMA certifications is accurate as of Jan. 10, 2024, for individual members in good standing who earned a certification in Q4. If you were recently certified, but do not see your name on this list, your membership has lapsed. Renew your membership today.

Of the 1,877 people earning certifications in Q4, 85 members attained more than one HFMA certification. (See the sidebar on page 3 of the pdf below to view a list of those who earned more than one certification).

HFMA Digital Credentials: Those members completing an HFMA certification program will earn a digital badge from HFMA (badges are managed by Credly, HFMA’s badging vendor). The badge contains metadata describing the qualifications completed to earn the achievement. Validate HFMA certification credentials [here](#).

Note: Results will only be displayed if the holder has selected to make their certification information public in their [Credly profile](#).
