Newsletter

President's Welcome

Aloha Kakou!

Welcome to our first newsletter of the year!

Wow, the months are just flying by! So much has happened in our chapter since June.

We launched our very first podcast in early August and we are releasing our second one which introduces the amazing officers in our chapter!

Please take some time to watch or listen and learn a little more about our officers. Stay tuned for future podcasts to learn more about our Directors and Chairs. A big MAHALO to our past Regional Executive Jeff Johnson for his time and commitment in helping us with the production of our podcasts!

We also sent out chapter member surveys to new and existing members. We had a great response rate to the surveys and will be working on your feedback and suggestions. Our committee chairs and directors are working hard prepping for our upcoming events! We encourage you to join us. Keep this newsletter handy to see the upcoming events or visit our website at: <https://www.hfma.org/chapters/region-11/hawaii/>

This month the Region 11 Presidents and President Elects will hold their Fall President's Meeting from Sept 21-23 here in Hawaii. Our chapter is preparing to show our sister chapters the Aloha Spirit while they are here.

I am so honored to be part of our HFMA Hawaii amazing Board of Directors who continue to show their passion and dedication in the planning and execution of events for our members! They represent the true meaning of I Ku Mau Mau.

With warm Aloha,
Tammy Dumlao, HFMA Hawaii Chapter President 25-26
