A huge MAHALO to our
Networking Event sponsors!

HFMA Hawaii Community Service Event Aloha Animal Sanctuary

Aloha Animal Sanctuary was established by a group of animal rights advocates who saw the need for a safe haven for farmed animals on O'ahu, Hawai'i. Their mission is to help people build meaningful connections with these animals and recognize them as unique individuals.

Located at the base of the lush Ko'olau Mountains in Kahalu'u, Kāne'ohe, Aloha Animal Sanctuary sits on two acres near the ocean, where cool sea breezes and rainfall create a comfortable environment for the animals. Since opening in January 2019, the sanctuary has been working toward sustainable growth.

There are countless animals in need of help, and while the sanctuary cannot save them all, it hopes to inspire visitors to live with greater compassion and kindness toward animals.

Mahalo to everyone who came together to help these animals feel the spirit of ALOHA!
