

HFMA HAWAII NEWSLETTER FY 24-25 Q1

PRESIDENT'S WELCOME

E Komo Mai

I am honored to serve another year on our HFMA Hawaii Chapter as the President for FY24-25. Our 14 dedicated volunteer Board of Directors are hard at work with our Region II Regional Executives, National HFMA, sponsors, and silent volunteers to shape our upcoming event line up as they provide resources, guidance, and support each day. HFMA's network is our ohana, which we practice aloha daily! We all bring Akahi (kindness), Lokahi (unity), 'Olu'olu (agreeable), Ha'aha'a (humility) and Ahonui (patience). We are a diverse group of healthcare professionals that provides opportunities to gain experience, teach, mentor, and share top industry information.

The Hawaii Chapter Board of Directors focuses on enriching your experience as members and enables us to advocate, brainstorm, meet, network with friends/colleagues and give back to our communities where we work & live and continue to serve. Having a strong professional network that you may call upon with a question helps all of us to do our job better! We are always open to feedback on our current or past events and how we can better serve you. Feel free to reach out to me, or any of our chapter leaders with an idea, suggestion, comment, improvement, or a hello!

Sempre Avantel (always forward)
