

VOLUNTEERS NEEDED!

How can I get involved?

Become an active participant in the HFMA Utah Chapter to gain skills, knowledge, relationships, and contacts while contributing to educational programs, communications, membership growth, and chapter events.

Involvement levels vary from a few hours a month to long-term commitments like committee work, Board Membership, or Officer roles. Meetings are flexible to accommodate busy schedules. Participation offers personal and professional growth, networking opportunities, and increased value to your employer.
